EasyLighting App V1

ordercode: A9910025

Set Up Wi-Fi Connection

Before you can use ***EasyLighting*** to control your LEDs, you'll need to link it to your lights via Wi-Fi.

Once you've installed the app on your device, there are two ways you can do this:

- ***Connect Wi-Fi LED controller to your home network*** – use this if you want to connect to your Wi-Fi adapter(s) through your Wi-Fi router.

  – or –

- ***Use direct Easy Lighting connection with the Wi-Fi LED controller*** – use this if you want to connect to your Wi-Fi adapter(s) from your device directly, without going through a Wi-Fi router.

Connect Wi-Fi LED controller to your home network:

Make sure that your device is connected to your Wi-Fi router (hub).

01) Open up the ***EasyLighting*** app.

02) Press the app's *Setting*

button.

03) You will now see a choice of connection methods.
Press ***Connect Wi-Fi LED controller to your home network***.

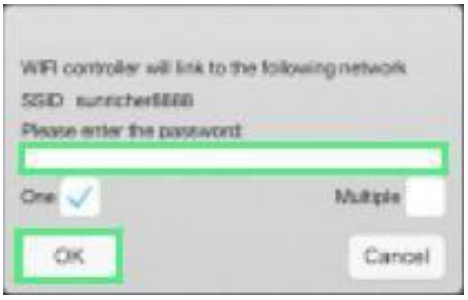
04) Now press the 'pairing' button on your Wi-Fi adapter.

05) While the Wi-Fi adapter is in 'pairing' mode, press *OK*.
on the ***EasyLighting*** app.

06) You will now be able to enter your Wi-Fi adapter's password.
Input the code (default password for our adapter is 0123456789)
and press *OK* again.

07) When you get a connection confirmation,
press *OK* one last time.

Your Wi-Fi adapter is now linked to the ***EasyLighting*** app via your Wi-Fi router.



Use direct Easy Lighting connection with the Wi-Fi LED controller:

Begin by searching and connecting your smartphone or tablet to the Wi-Fi adapter, using your device's Wi-Fi interface. (Default password for our adapter is 0123456789.)

01) Now open up the ***EasyLighting*** app.

02) Press the app's *Setting* button.

03) You will now see a choice of connection methods.
Press ***Use direct Easy Lighting connection with the Wi-Fi LED controller***.

04) Press *YES* to confirm.

Your Wi-Fi adapter is now linked to the ***EasyLighting*** app via your Wi-Fi router.

Note: *Only one EasyLighting app installation can be connected to your Wi-Fi network at a time.*
